ORDER:

In the reference 1<sup>st</sup> read above, the Engineer-in-Chief(Irrigation) was requested to furnish the report on the representation of the firm. Accordingly, the Engineer-in-Chief (Irrigation) in the reference 2<sup>nd</sup> read above has submitted the proposal to the Government for permission for drawal of 0.0041 Cusecs of water from Losari Main Channel at Km.16.000 under consumptive use with usual terms and conditions with the condition of clearance from Pollution Control Board to M/s.Ananda Enterprises(India) Pvt. Ltd., Kothapusalamarru(V) of Bhimavaram(M), West Godavari District, and subject to conditions mentioned therein.

2. Government after careful examination of the proposal, hereby accord permission for drawal of 0.0041 Cusecs (0.01 MLD or 10,000 liters per day) of water from Losari Main Channel at Km.16.000 to M/s.Ananda Enterprises(India) Private Limited, Kothapusalamarru(V) of Bhimavaram(M), West Godavari District under consumptive use and also subject to the concurrence of District Collector, West Godavari District and the clearance of Pollution Control Board subject to the following terms and conditions:-

1. The water can be spared based on the availability of water in the source.
2. The water drawn from the channel should be utilized for the purpose for which permission is granted. Any misuse in this regard will entail cancellation of the permission without any notice and also liable for imposition of penalty.
3. The entire cost of infrastructure to draw water shall be borne by the industry only.
4. Water meters or suitable approved measuring devices should be installed by the industry at their own cost to measure the water consumed. Water measuring devices should be kept under the control of Irrigation & CAD Department and the representatives of the user shall be present at all times for taking readings.

P.T.O.,

5. The industry should pay water rate at the existing rates and subject to revision by the Government from time to time. In case of failure to pay water rate/ royalty, the permission to draw water stands cancelled.
6. No field bodhi or pipeline shall be taken through or along with Government land without approval of Government and if permission is accorded by the Government, the lease of Government land should be paid as fixed by the Government only.
7. The industry should obtain the prior concurrence of concerned Department for laying pipeline and for crossing etc.
8. The industry should make their own arrangements for supplementation of water in their premises only for their requirement during canal closure period.
9. The industry should make their own arrangements to dispose the treated effluents as per norms of Andhra Pradesh Pollution Control Board in their premises only and should obtain prior permission if any needed from Government to dispose treated effluents in the natural resources.
10. The Irrigation & CAD Department reserves the right for cancellation of the permission without assigning any reasons thereof.
11. The Irrigation & CAD Department is no way responsible of non-supply /Non Availability of water due to any reasons in any particular water year.
12. The Industry must strengthen the canal margin 100 Mts on either side of the proposed off take point to avoid slips, erosion of banks and to protect existing margins as directed by the Department.
13. The industry should lay the pipeline duly leaving not less than 1.00 Mts. from the toe of the flood bank.
14. The industry has to construct CC walls to avoid leakages at pipe line crossings.
15. The industry should follow the Revenue Board Standing orders (B.S.O).
16. The industry should pay security deposit at 2.5% on 10 years water charges for which permission is granted.
17. The permission accorded shall be for a period of 10 years only. The permission shall have to be renewed well in advance before the expiry of the permission.
18. The Industry shall pay one year water charges as advance and amounts due to the Department before entering into agreement.
19. The present rate of royalty charges as per the G.O.Ms. No.39, I&CAD Department, Dated:02-04-2002 is Rs.4.50 per 1000 gallons for consumptive use. The water royalty charges are likely to be revised by the Government from time to time and the industry shall pay the revised rates as fixed by the Government from time to time. Royalty charges should be paid every month and non-payment of Royalty charges in any month should result in stoppage of water.

20. The firm has to pay the water charges for the estimated quantity in advance at the start of the Financial Year (i.e) before 10<sup>th</sup> April every year as per BSO.
  21. The consumptive utilization of 0.01 MLD or 0.0041 C/s of water as required should not be exceeded under any circumstances.
  22. A detailed plan showing the location, the intake arrangements, conveyance system etc., shall be furnished to the concerned Superintending Engineer of Irrigation & CAD Department.
  23. The industry shall abide any other conditions laid down by the Government/ Department from time to time.
  24. The permission does not confer any riparian right to the industry.
  25. Non adherence of the any of the conditions by the industry entails cancellation of the permission.
3. The Engineer-in-Chief(Irrigation), Hyderabad shall take necessary action accordingly.
